

In this progressive and complicated world, [ ] play an effective role in the lives of human being since they [ ]. With the common knowledge, it goes without saying [ ]. (There is an increasingly popular argument that [ ]). While many people hold the opinion that [ ], some others may take an opposite viewpoint and believe that [ ]. I contend with the former way of thinking [(thesis statement)]. In the ensuing paragraphs, I will elaborate on my perspective.

The first thing which is the most important from my point of view is [(major support sentences)]. Because of a personal experience, which happened in [(example)]. [(concluding sentence)].

As a second valuable viewpoint to mention about [ ], is that [(major support sentences)]. This often illustrate with the most obvious example is [(example)]. [(result/state)].

Everything considered, bearing the aforementioned points and examples, [(re-state reasons)]. [in my opinion that, [(re-state thesis statement)]]. It will hopefully lead to [(future forecast)].
